

Dear Swanky Events

October 19, 2011

Erman and I wish to thank you for all the services you provided for our daughter's wedding on October 1, 2011 at the Buckhorn Community Centre. The wedding reception of about 375 people was outstanding in every aspect. with such a large event many last minute unexpected details arose that you and your staff handled with a clam and professional demeanour. This in turn enabled Erman and I to really enjoy our daughter's wedding day with no worries of any kind.

The dinner was exceptionally well organized and even though we had such a large crowd, everyone had their dinner in such a timely fashion. Our guests continue to comment on the beautiful meal, the kind and efficient service and the overall delightful atmosphere of the evening.

Our guests, who included parents and all their children, were grateful to share this celebration in such a family oriented atmosphere. The entire evening went so smoothly that Erman and I felt such peace and gratitude for all that you and your team did to make this happen.

We highly recommend Swanky Events for any function, large or small.

Sincerely, Ingrid and Erman Mazzarolo
