

Dear Sue & Janet

Thank you so much for staying the extra time and setting the tables for us. They looked absolutely gorgeous!

The two of you are magicians, transforming the hall so completely on a budget. I know that the individual components of the table centerpieces did not cost a lot but when put together they looked fabulous on those rich, dark tablecloths. Most people don't realize that it's the small details that can make all the difference.

I'm so glad that we included you in the wedding planning. Your decorating skills and good advice added so much to a truly magical evening.

Sincerely, Marilyn Atkins
